

Tuesday September 22nd 2015

Dear Parents\Guardians,

It is already time for the Terry Fox fundraiser. We are sending home a pledge sheet with your child. Please read the back with your child, there's information regarding the impact Terry's Marathon of Hope has had over the last 35 years, as well as McKenna's story (a 10 year old girl who survived cancer in part due to the donations made to the Terry Fox Foundation). When collecting the money, record the donations on the pledge sheet. Please return the sheet(s) and money to your child's teacher by Wednesday September 30th 2015, since we will be walking on that day. If it rains, we will be walking on Friday October 2nd. We hope you can come and join us ☺

We will be doing the tie-dye T-shirt activity with the students. Please send a light colored cotton T-shirt with your child (it can be a new or old shirt, as long as it's clean). Starting Friday, the students will be tie-dying their shirts (please send them in as soon as possible), so as we can wear them on Wednesday September 30th during our walk.

For more information regarding the Terry Fox Foundation, you can visit: <http://www.terryfox.org/>

Thank you for your support and cooperation,

JRS staff
